INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

I. P. Campbell & Son,

Wichita,

Sirs:-

Your letter of August 10, 1907, inclosing the applications of Evaline Wilson Dennett and Claude Robert Dennett, is at hand.

These applications appear to be in proper form and have been placed on file.

You are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

#2--I. P. C. & Sons:

When the applications of your clients are reached you will be notified if there is anything further required in connection with their claims.

Very respectfully,

Special Commissioner.

Dear Sir:-

Enclosed please find applications of Evaline Wilson Dennett, deceased, and her minor child, Claude Robert Dennett. Mrs. Dennett was living on May 28/06, dying in March, 1907, and we believe her heirs are entitled to the share that would have gone to her. Her husband, Mr. Frank Dennett, swears to the facts stated in the application, and also makes the application for the minor child, claiming a share for said child through its mother, Mrs. Evaline Wilson Dennett. We trust that these applications are made in the proper form by the father and husband, and if not, that you will so inform us.

Can you kindly tell us at what time the consideration of applications for shares in the Eastern Cherokee fund will be taken up. And will final disposition be made of these applications at any time soon after the end of the period for filing same, August 31st? We represent a number of applicants and are desirous of examining some of the Indian rolls personally before these applications are taken up and passed on, and wish to know how soon we will have to act. Can you kindly inform us.

Thanking you for a reply, we are,

Very Truly Yours,

I. P. Campbell & Sons.

A. L. Maples, ---- being duly sworn, deposes and says:

My name is A. L. Maples. My age is 55 years. I live at Westville, Oklahoma. I have lived in Going Snake Dist. 11 years, the last time. Betty H. Maples is my daughter. I only filed for her as I have no Indian blood. She is 18 years old. She got the strip payment. She was enrolled by the Dawes Commission, Cherokee Roll #298867. Her mother is dead. She died when Betty was 4 years old. She was about 24 years old at the time of her death. She was raised in Going Snake District but was born in Illinois District. She got her blood from her mother, Rachel Wilkerson, Rachel Messer before marriage. Betty Wilkerson was my wife's ~~name~~ grandmother's name. I don't think Betty Wilkerson was enrolled in 1851. My wife's grandfather was born in Tennessee and moved to Texas during the war. Wilkerson was in the Southern army and so was Messer. They moved here in 1867 or 1868. My wife's great-grandfather was killed in the Old Nation in the East prior to 1822. Betty Wilkerson's brothers were John, who lived in Illinois District, Abe, ~~William~~ Whitby, Mary Jones, now; nee Wilkerson; also a Sallie Wilkerson who has been dead a number of years. Betty got her blood from her father, John Wilkerson, who lived in Texas and came up here in 1867, or 1868 and was admitted to the Cherokee nation as an Indian. Messer said there was no roll taken in Tennessee. George Wilkerson was my wife's great-uncle and made affidavit that my wife was his niece, Cherokee by blood. He lived at Tahlequah. Chief Bushyhead and George Wilkerson were uncles of my wife. My wife was enrolled about 1873 when the bread money was paid out, in Illinois District. I don't know in what District George Wilkerson lived but the only time I met him was in Tahlequah District. She, my wife, was on the authenticated Roll of 1880 as a citizen of the Cherokee nation. I don't know whether the Wilkerson's ever joined any other tribe of Indians. My wife's grandfather, John Wilkerson, was born in Tennessee about 1822. He was 45 years old when he died and died soon after he was admitted to Council.

My name is Henry T. Clemens; I live at Kyles,

I claim through my mother and her father.
My mother is sick and couldn't come to testify.
My mother and grandfather were recognized as white people where they
lived; I have heard my mother say that an indian doctor said her
father was nearly a quarter Cherokee indian. I have heard that
my mother and grandfather lived close by the Indians in Cherokee
Co., Ala., I think it was. Mother and grandfather never got
any money or land from the government on account of their Indian
blood; I never heard of their being enrolled with the Cherokees;
I never heard them say anything about it. My mother thinks she has
Indian blood because she has always heard people say that she had
and because that indian doctor said so.

Madam:

On May 5th, 1908, a letter was sent you from this office requesting additional information in regard to your claim for participation in the Eastern Cherokee fund. No reply has been received to that letter and unless you can furnish the additional information requested below your claim must be rejected. The additional information is, why were you, your parents or your grand-parents never enrolled? Were any of your ancestors ever slaves? Were any of your ancestors parties to the treaties of 1835-6 and 1846? Did any of your ancestors ever live with the Cherokee tribe, if so, give their name and state when and where they resided with the tribe. Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Martin Nowwood being first duly sworn in behalf of James Pankoy, deposes and says:

That I am 58 years of age and am acquainted with the applicant. His mother and I are brother and sister. Applicant's father was a colored man but I don't know whether he was full blood or not. He was recognized as a colored man. My mother was 1/2 Cherokee Indian. I was not held in slavery. My father was but my mother was not because of her Indian blood. Don't know how my mother happened to have the name of Patrick, unless it was that we had different fathers. My mother's name was Louisa Smith. She was 1/2 Indian. My sister and I were born in Franklin Co., Tenn. and were raised in Tenn. and Ala. I lived in Jackson Co., Ala. for a while. My mother stayed with the Indians as a member of the tribe, I reckon, when I was a small boy. That was in Franklin Co., Tenn., I think. The reason she left the Indians was because she married. Her mother's name was Lucy Smith and her father was Alex. Lucy claimed to be the Indian. Don't know about Alex. My mother had a brother John, Alex, Frank and a sister named Lottie and one named Matilda. I did not file application because I did not know anything about it. Never heard of it until last year some time, along about the Fall. I am recognized as a colored man in the community. Never heard of my mother or any of her brothers and sisters being on any roll. My mother was recognized as a colored woman. Applicant is the only child of my sister. My brother, Frank Nowwood, made application to get some land but never got it.

Ezekiel Jones, being first duly sworn, deposes and says:

My name is Ezekiel Jones. I live at Stevenson, Ala. I was born in 1855 in Cook Co, Tenn. I claim to be connected with the Cherokees through my father and his father. My father was born in 1833. I learned lately that he was born in Washington County, Tenn. My grandfather, Cyrus Jones, came from Buncombe County, N. C. My father and grandfather were recognized as white people with Indian blood. I heard that my father and grandfather lived with the tribe in N. C. I never heard of my grandfather taking part in any tribal proceedings. I never heard of my father or my grandfather getting any money or land from the Govt. on account of their Indian blood. I never heard anything about an enrollment in 1882. I was living in Cook County at that time. I never heard of a treaty the Indians made with the Govt. in 1835. I suppose my Indian blood came through the Jones. ~~It came through the Jones from the Wards, my great grandmother. I don't know her given name.~~

Hester Hudson being first duly sworn deposes and says:
My name is Hester Hudson. I live at Lexington Ave.
Asheville, N. C.

I was born in 1874 in Buncombe Co., N. C. I claim Cherokee blood through my mother and her mother. My mother died in 1887 and was 33 years old when she died. My mother was born in Cherokee Co., N. C. My grandmother was born, raised and died in Cherokee Co., N. C. My mother and grandfather never got any money or land from the Govt. on account of their Indian blood as I know of. My mother and grandfather were recognized as Indians, and lived right with the Indians in N. C. They never lived with the white people, as I know of, until my mother ran away and married a white man. My grandmother died in 1870. In 1882 my mother and I were living at Murphy, N. C. I lived there until I was 18 years old. My mother had one brother but he died when he was about 16 years old. I never heard my mother say anything about being enrolled with the Cherokees. I don't remember the name of my great-grandfather. My mother's father was a white man. He lived with the Indians after he married my grandmother, who was a full blooded Indian. I don't know what he did for a living. They lived in wigwags. I think they hunted, fished and farmed. I never heard of any Indian name that my grandmother had. My mother used to talk a lot about how the Indians were abused and driven away from home. My grandmother and grandfather did not go away with the Indians when they left. I don't know why it was that they did not go. They hid and stayed in the mountains to keep from having to go. My mother said that she did not get any money or land from the Govt. but she said she did not know why she did not get it. I have no relatives that I know of on my mother's side of the house. I don't know the name of my grandmother before she was married. I don't know the name of my grandfather. I don't know any of the names of Cherokees in N. C. now. I know an old Indian boy named with that name. My mother and grandfather well.

Gen. Isaac Miller,

Sir: - Have just received your letter of June 14, ult., one stating that my wife, Anna Amachain and myself are being entitled and another letter to Anna^{alone}, stating that she^{is} having being rejected.

Well now I wish to hear facts, which it is for sure. Of course I think that she is entitled for she is a genuine Indian and an Eastern Cherokee and can be easily proven, and it appears that the letter to me and wife was sent after the one was to Anna.

Will you please write me facts, if she is rejected or not immediately.

June, 12th, 1908.

Hon. Guion Miller,

Washington, D. C.

Dear Sir:-

Replying to your favor of May 12th beg to say my parents resided with the Cherokee tribe in Habersham county Georgia, between 1830 and 1850. When with the tribe we were recognized as half Indian and white people. We are now recognized as white people.

Just why my mother was not enrolled it is impossible for me to say, but in all probability she was absent from home at the time the roll was made out. She was born in Cherokee county North Carolina in 1828 and from best information was still living there in 1834-35.

My only great-grand parent with whom I am safely informed about is Martha Brunner. I do not know the names of my great Uncles and Aunts on my mother's side.

My people have never been slaves.

I was born in 1840. I live here in Gainesville. I have been
living in this county all my life. I never received any money
from the Government. I was never enrolled. I claim my Indian
blood through my mother. Her name was ~~Ruby~~ Elizabeth Wil-
kerson. I suppose she was half Cherokee Indian, as that is what
she told me. She got it from her father I think as he was of
the blood. His name was Riley Wilkerson. He came from North
Carolina to this county. I do not know when he left North
Carolina. He was enrolled in 1835 but not in 1851. I have
heard my mother say that he was enrolled. I never heard of
my people getting any money from the Government. I have heard
my grandfather talk about his Indian blood. He died in 1853
I think it was. I think my grandfather lived with the Indians.
I have heard him talk that way. I don't know whether my grand-
father had any brothers. I do not know whether he ever had
and other name than Riley Wilkerson. He lived here after he
came from North Carolina. I have heard him say that he lived
with the Indians and stayed with them. I do not know of any
one who can say whether he ever went to Indian Territory.
Riley Wilkerson had a sister. My mother's sisters were Rebecca,

Pruitt, and am a cousin and brother-in-law to him. I have known him practically all his life. He has been recognized as part Indian of the Cherokee tribe. I knew his mother. My father and her were brothers and sisters. Her name was Elizabeth Wilkerson before marriage. ~~She was a sister~~ Riley Wilkerson was called a half-breed. He said he had Indian blood. I never heard him say anything about getting any money from the Government. I never heard him talk about treaties of enrollment. He came into this county from Habersham Co. I first knew him in 1850, probably before that. I was with him a good deal when I was a boy growing up and I never heard of him going away. I did not know of any brothers and sisters. Riley Wilkerson's children were William Wilkerson, Dick Wilkerson, John Wilkerson and Jim Wilkerson and Jasper. There was a girl named Susie. I never heard of a sister named Mabel. I knew Dick Wilkerson, about 1850. He was 40 or 50 years old at that time. He was about 25 in 1835. He lived here awhile and then went to Alabama. He never lived west of the Mississippi river that I know of. William Wilkerson lived in Hall Co. and Grinnett and a while in Alabama. I never heard talk of my father getting any money. I never heard of a Laura or Lucinda Wilkerson. William Wilkerson was my father.

Dick Wilkerson was a son of Riley Wilkerson. Riley Wilkerson was about 50 or 60 years old in 1850. I never knew a David Wilkerson. When I first knew Riley Wilkerson he was up in years. He was my grandfather, and I never heard him say that he had been west. Dick Wilkerson is a son of Riley Wilkerson.

This day being before me personally appeared before me the undersigned and made oath in the form of law that she was 83 years old and was born and reared near Swana.

Tracy, the wife of David Trickett, Swana's mother and her father.

She, Susana Trickett, has been for 20 years in the country.

The family were all called Indians as long as they lived.

John Hodges, her brother was also called an Indian, and some of their sons were dark.

Both families are all dead, but since their descendants still live in the County near by, they were all called Cherokee Indians by the people.

Texanna Brown,

Riceville, Bell Co., Tenn.

Sir:-

You claim a right to participate in the distribution of the Eastern Cherokee fund through your father, who you state lived in Jefferson County, Tennessee in 1851. Why was he not enrolled with the Eastern Cherokees at that time?

State why your grandparents were not enrolled with the Cherokees in 1831 and 1835.

Were your father and your grandparents recognized by the Eastern Cherokees as members of the tribe? Were they admitted to tribal council?

Was your father or your mother half as a slave? If so, was he or she owned by white people or Indians?

Did any of your immediate relatives participate in any payment to the Cherokees? If so, give their names.

Respectfully,

HKX/AIL

Special Commissioner.

Madam:-

You claim a right to participate in the distribution of the Eastern Cherokee fund through your parents, who you state lived in Louisiana in 1851. Why were they not enrolled with the Eastern Cherokees at that time?

State why your grandparents were not enrolled with the Eastern Cherokees in 1851 and 1835. Were they or your parents recognized by the Eastern Cherokees as members of their tribe? Were they admitted to tribal councils?

Were any of your ancestors held as slaves? If so, were they owned by white people or Indians?

Dear Sir:

In reply to yours of late date
will say I do not know why
my parents were not enrolled
with the Eastern Cherokee
in (1867) or why my Grand
-parents were not enrolled
in (1835) I also do not know
whether or not they were
recognized by the tribe
and do not know any thing
concerning the Shawnee either

My Father John Nolan Boat-
right was blood kin
to the B Lockburns of
Virginia also the Taylors
and Baugh also of Va
then three families if you
will investigate have proven
their claim in some letters
I find of my Mother's in
1894 it seems as if she
had sent in her application
through a cousin of my
Father's whose name was
J. J. Boatright and at
that time was an agent
for the Eastern Cherokee
(Indians)

but he failed to file the
application as she claimed
it cost \$20.00, to file an
application and she being
a widow with 6 children
and in very straitened circum-
stances she could not afford
to send him the required
\$20.00.

Was Mintie Hendrix, nee Fish, or Nathaniel Fish ever enrolled with the Eastern Cherokees? Were they recognized by the Eastern Cherokees as members of the tribe?

Was White Hendrix enrolled by the Dawes Commission? If so, give his number and indicate on what roll his name appears.

Was he a Cherokee allottee? Are his children Cherokee allottees?

Ma'am:-

You claim a right to participate in the distribution of the Eastern Cherokee Fund through your parents, who you state lived in Missouri in 1851. Why were they not enrolled with the Eastern Cherokees at that time?

State why your grandparents were not enrolled with the Cherokees in 1851 and 1835. Where did they reside in 1835? Were they, or your parents, recognized by the Eastern Cherokees as members of their tribe? Were they admitted to tribal councils?

Were your parents held as slaves? If so, were they owned by White people or Indians?

My name is Abraham Cagle. I live at Lead Hill, Ark. I am the father of Martha L. Manley. I am related to the Eastern Cherokee tribe of Indians. I was born in Warren Co., Tenn. in 1845. I claim my Cherokee blood through both my father and mother. My father's name was John Cagle. He was born in Tenn. I cannot say what County. I don't know when he was born. My father lived with the mixed people in Tenn. In what I call the lost tribe. They got away from the Tribe. He never lived with the real tribe of the Cherokee Indians. I never did either. My mother's maiden name was Sarah Brown. My mother was born in Warren Co., Tenn. I cannot tell you when. She lived with the "lost tribe" too. The "lost tribe" didn't really have sense enough to get into the tribe. My parents and I have never been enrolled. My parents always lived in Tenn. Died there. I made appl. for citizenship in U. S. I never got it through. I reckon I did not have knowledge enough to put it through.

No. 33949.

May 7, 1908.

William C. Horn,
Shawnee, Okla.

Sir:-

You claim a right to participate in the distribution of the Eastern Cherokee land through your parents, who you state lived in South Carolina in 1851. Why were they not enrolled with the Eastern Cherokees at that time?

State why your grandparents were never enrolled with the Eastern Cherokees?

Were your parents or grandparents recognized by the Eastern Cherokees as members of their tribe? Were they admitted to tribal council?

Have you been enrolled by the Dawes Commission? If so, give your number and indicate on what roll your name appears.

Are you a Cherokee allottee; or have you ever had application for an allotment?

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

WCH/AIL

Special Commissioner.

Nancy J. Horn being first duly sworn in behalf of Albert S. Horn, deposes and says:

That I am 61 years of age and am the mother of Albert S. Horn. I am a full blooded white woman and applicant claims his Indian blood through my husband, deceased. My husband died in 1904 and was 56 years of age. He was born and raised in Union Co., S. C. He married me in S. C. and we left there in 1866, when the applicant was three years old. My husband claimed through his father, Craton Horn. I think he was born in S. C. He died there in 1904 and was in his eighties when he died. My husband did not live with the Indians as a member of the tribe, but don't know whether his father did or not. My husband was recognized as a white man in the community where he lived. They were not on any Indian roll that I know of and never received anything from the ~~executive~~ government. My husband did not make application to the Dawes Commission. Craton Horn had a brother named Tom, another Jim, and another William. He had no sisters. My children have all married white people. Craton Horn claimed through his mother, Nancy Horn. They told me that she lived with the Indians in Union Co., S.C. She was a full blooded Cherokee Indian. She died after I married, a short while afterward.
